Subject: Gold King Files to Review

Hi Matt

Please send me whatever files you would like us to review for Gold King. Steve had mentioned photos, a conceptual design, and some mine mapping from Kerstin.

I will leave Broomfield early Monday morning and should be in Silverton mid-late morning. I will check in at your office and catch up with you wherever you are.

Don will fly into Durango on Tuesday to join us on site.

Don and I will drive back to Longmont on Wednesday.

Please let me know if there are any hotels in Silverton that you recommend or that the EPA has made arrangements with.

Christoph
